

ABOUT UK GENERAL

UK General are one of the UK's leading personal lines Managing General Agents (MGA's) with over twenty years' experience underwriting specialist schemes in the UK market. We operate as a virtual insurer with full sales, underwriting, pricing and reserving capability. This, coupled with expertise in specialist personal lines products, gives us a bespoke approach to delivery and allows us to tailor simple solutions to complex market demands.

We have considerable experience and expertise in the specialist personal lines schemes market, reflected by multiple insurance industry awards. This knowledge allows us to provide specialist insurance propositions and affords us, and our clients, the flexibility to design unique and innovative products.

Our capacity is provided by Munich RE, which gives our clients and our customers the financial security of an "A" rated global re-insurer.
