## ABOUT BSPOKE UNDERWRITING

**Bspoke Underwriting is a leading personal lines MGA, with extensive experience underwriting specialist schemes in the UK market.**

**As personal lines insurance experts, we pride ourselves in creating and developing innovative product and claims solutions.**

Bspoke Underwriting is committed to ensuring it understands the needs of its target markets and that the products it designs meets the needs of its customers.

We are focussed on creating tailored, niche products that protect your customers' property and the personal possessions within that they cherish the most.

Our product range includes non-standard household, let property and holiday homes alongside solutions for mobile phone, cycle and hobby equipment.

We can also provide added protection products such as home emergency and warranty.
