

## CONNECTING WITH YOU

Assurant Intermediary offer advisers a true **end-to-end solution** when it comes to offering Home and Landlord Insurance products to customers.

Whether you choose to **quote and write the business yourself or refer your customers to us**, you can give insurance recommendations with the confidence to offer the right product with the right service to best suit your customers' needs.

**Whatever option suits you and your business model, we can support you as you look to deliver good outcomes for your customers.**

Find out more about our proposition from the links below or apply for an agency with us [here](#)
